Lafarge Africa Plc

Lagos, 4th February 2026

EXPANSION PLANS AT LAFARGE AFRICA PLC'S ASHAKA AND SAGAMU CEMENT PLANTS

Lafarge Africa Plc ("the Company") hereby notifies the Nigerian Exchange Limited and the investing public of its plan to expand its Ashakacem Plant in Gombe State and Sagamu Plant in Ogun State. Upon completion, Ashakacem and Sagamu Plants' total capacity will be 2MT and 3.5MT per annum respectively.

These investments reflect the Company's strategic focus on supporting Nigeria's infrastructural growth, improving product availability and delivering long-term value to shareholders.
