INTERNATIONAL ENERGY INSURANCE PLC HOLDS STAKEHOLDERS' ENGAGEMENT

International Energy Insurance Plc (The Company) is pleased to announce its upcoming stakeholders' engagement event, scheduled to be held in Lagos on Monday, April 7th, 2025.

This significant event will provide a platform for robust discussions on the Company's strategic direction and key initiatives aimed at enhancing value for all stakeholders. A central focus of the engagement will be a comprehensive overview of the Company's plans to successfully recapitalize its business and improve its regulatory solvency in the short term, with the sole aim of meeting the minimum capital requirement of N15 billion.

International Energy Insurance Plc is committed to transparency and open communication with its stakeholders and views this event as crucial for fostering strong relationships and charting a successful path forward.
